

**John A Wiley & Sons and Financial Wizard / Best Selling Author John Mauldin  
Team Up to Publish Gary Marks' New Book, "Rocking Wall Street."**

How did a professional rock songwriter living in Maui end up being a major player in the hedge fund world and the CEO of a large asset management firm?

You find that out in the intro. But the rest of the book is about rocking the traditional investing process to its core.

The full title of the book is:

## ***Rocking Wall Street***

**Four Powerful Strategies  
That will *Shake Up*  
The Way You Invest,  
Build Your Wealth  
And Give You Your Life Back**

The book covers hedge funds and fund of funds; the dangers of traditional investing that most brokers do not want to talk about; the emotional part of the investing process. And, The End Game, where you no longer have to play by traditional investing rules.

Scheduled release is for early 2007. The book will be distributed in hard cover and be sold in all major book stores in the US and Canada.

Gary Marks

Most people in the financial world know who John Mauldin is, and are familiar with the publisher John A Wiley & Sons. But who is Gary Marks?

Gary Marks is the CEO of Sky Bell Asset Management, LLC, a U.S. alternative investment management firm with affiliated offices in Florida and Hawaii. He is also a professional rock singer-songwriter with a 30-year career in the music industry.
